# News Release

## Record RSS Offer the Great NRG and ECO Giveaway

Record RSS are increasingly aware of the tremendous pressures we are all facing in these uncertain times – rising steel prices, energy costs, fuel bills, falling interest rates, and Government cut backs.

All these factors have considerably increased the costs of suppliers such as ourselves – in this situation it is the norm to increase prices to cover increased costs. At Record RSS we pride ourselves on our innovative products and business thinking and therefore take a slightly different look at things to our competitors.

Our investment over the past couple of years in new manufacturing equipment has produced internal efficiency gains at our production plant based in the UK, which has allowed us to take a different approach to you, our valued customer. With this in mind we have reviewed our NRG pricing and are pleased to offer a maximum discount of 25% off list price for all orders received before 31st December 2010. This applies to all items in the NRG range including configurations and the Devils Island, but excludes the Trinity.

Also, we are pleased to offer a maximum discount on our ECO range. This is now 15% off list price for all orders also received before 31st December 2010. This applies to all items and configurations in the ECO range.

The stylish NRG trail system was designed to be both eye catching and fun. Its distinctive steel curved arches and support posts make an impressive centre piece for any play area, attracting many children of all ages and abilities.

The rural appearance of ECO gives an alternative but attractive experience to NRG, but without losing any of its fundamental play value. This tactile system is designed with timber support posts to provide an ideal solution for environmentally sensitive areas.

For further information on Record RSS please contact: Gary Wallis, Marketing Manager Record RSS  
Tel: 01784 479271 Email: [gwallis@recordrss.co.uk](mailto:gwallis@recordrss.co.uk) or visit [www.recordrss.co.uk](http://www.recordrss.co.uk)

Record RSS is proud of its enviable reputation as a market leader in the provision of innovative and reliable play solutions. Record RSS is committed to providing safe play equipment for children of all ages who now demand more fun, increased challenges and stimulating equipment to mirror their influences and aspirations.
